High Spen Primary School

Collection of School Meals Money and School Meals Debt Policy

The High Spen Primary School meals collection and debt policy has been adopted to ensure that a fair and consistent approach is taken to debt incurred by parents / carers whose children take school meals.

General Principle

School meals must be paid for prior to the meal being taken, preferably on a Monday for the week ahead or in exceptional circumstances on the day the meal is taken.

Free School Meal Entitlement

If parents / carers believe their child(ren) may qualify for free school meals they should contact Gateshead Council on 0191 4333000, or ask for an application form from the school office. The school is only allowed to provide a free meal where this is officially approved by the local authority.

Cost of School Meals

There is no charge for children in Years Reception, Year 1 and Year 2 and they can have a free school meal from the Governments Universal Infant Free School Meals initiative. School meals are available to children in years 3-6 at a cost of £2.50 per day and Nursery at a cost of £2.00 per day, with no cost to those in receipt of free school meals entitlement. Any revision to school meals prices will be notified to parents/carers the term prior to the new charge taking effect.

Payment for School Meals

School meals must be paid for in advance of meals being taken. All payments are made online through School Gateway which can be accessed through the app.

Meals may be paid for on a daily, weekly, half termly or termly basis.

When parents/carers log onto School Gateway they can easily see the balance of their account.

Non-Payment

We understand that there are times when parents may forget to make payment, and therefore we will send a text reminder, and will expect this to be rectified as soon as possible.

Where a child continues to take meals which have not been paid for, the school will contact the parent daily detailing the amount of money owed. The school will also contact the parent / carer to ask if they are experiencing hardship which is affecting their ability to pay. Under these circumstances the parent / carer should be invited to apply for free school meals and / or speak confidentially to the Head Teacher.

If the debt continues to accrue, and £30.00 is reached, contact must be made with the parent / carer informing them to provide a packed lunch until the arrears are cleared. If the school are unsuccessful in securing the dinner money arrears, the school should advise the local safeguarding team (if deemed appropriate) and formally write to the parent / carer, explaining that the school is not obliged to provide a school dinner where advance payment is not forthcoming or where authorisation for free school meals has not been received. (see letter).

Monitoring and Recovery of School Meal Debts

At each Governing body finance meeting, the Head Teacher will provide the Governing body with details of any outstanding dinner money debt and the current position with regard to such debt.

The aim of this policy is to minimise the opportunity for debt balances to build up. The school reserves the right to begin proceedings to recover outstanding school meals debts and inform the local authority that a child is not being provided with a suitable meal at lunch time.

All write-offs of outstanding debt must be approved by the governing body / finance committee by the Head Teacher with reasons for no further action being taken.
