Introduction

As an Ofsted registered childcare provider we meet the statutory requirements of the Early Years Foundation Stage (EYFS 2021-2023) as well as legislation Equality and Human Rights Commission and United Nations Convention on the Rights of the Child (1992). To this end, we have developed a policy to ensure that children are cared for in a smoke-free environment. This policy meets the EYFS specific requirements 'Providers must ensure that children are in a smoke-free environment', 'Providers must not allow smoking in or on the premises when children are present or about to be present.'

Policy

It is our policy to ensure that children are in a smoke-free environment whilst in our care. High Spen Primary School is a smoke free school.

Procedure

We will ensure that:

No-one smokes or Vapes in any room where the children in our care are present or about to be present. No-one smokes in an outside play area when the children in our care are present or about to be present.

Staff must not smoke whilst wearing their uniform.

Conclusion

It is our aim to ensure the children in our care are in a smoke-free environment at all times.
