

## Nursery-SG Newsletter Spring 1 2026

Welcome to our new friends and we hope everyone has had a restful Christmas break. We look forward to starting our new topic: **People who help us!** Our work and activities this half term will be based around this topic as well as any other interests. We have planned to cover the following: Fire fighters, the police, dentists, doctors – and many more depending on time and interests of the children. We are looking forward to learning all about emergency services – but we will also be focusing upon people who help us in everyday life at home and at school. More information about what we will be doing this term can be found in the **attached** Spring 1 term map. We will continue to work on prime areas including; Communication and Language, Physical Development and Personal, Social and Emotional Development. Additionally, we will be exploring our Maths and Phonics in the Spring and Summer terms as we prepare for Reception along with the areas of Understanding the World and

During our daily special person routine, we will be thinking carefully about what makes us all special and unique. We recognise, now more than ever, how important it is to celebrate diversity, and we encourage all our children to be kind and considerate to others.

Here are a few updates and reminders: -

- Session times are 8.55-11.55am for our 15-hour children and 8.55-3.15pm for our 30-hour children. At the beginning of drop off and pick-up times, we will open the gate for you to enter the Early Years yard to drop-off or collect your children except for the **11.55am pickup which is at the nursery side door and our 2-year-old drop-off at 12.30**. The 2-year-old session time is 12.30-15.30 with drop-off at the side door and pick-up in the EY yard.
- Can you please **name all** your child's clothing and water bottles to make things easier for us to identify during the session and to return home at the end of the day. (Thank you)
- PE be on Tuesday morning. Most children wear comfortable trousers or leggings and trainers.
- Staff members can talk to you briefly at the beginning or end of the session, and we can also arrange a telephone call back to have a proper chat. Please speak to either of us if you have any worries or concerns.

Thank you for taking the time to read this newsletter and we look forward to a fun Spring term!

Mrs Bainbridge (nursery teacher)  
Mrs Kerridge (nursery nurse, key person)  
Mrs Anderson (teaching assistant and key person)  
Miss Maddison (teaching assistant and key person)
