Spare Clothing Reminder

We are pleased to let you know that we have recently purchased additional spare clothing to ensure we can support pupils comfortably throughout the school day. From time to time, children may need to change due to spills, outdoor play, or other accidents, and having a good supply of clean items helps us respond quickly. If your child comes home wearing any of our spare clothing, we kindly ask that these items are washed and returned to school as soon as possible. This helps us maintain a full and ready stock for all pupils who may need it. Thank you for your continued cooperation and support.

No Class news for: Nursery, Reception GD, Year 1 TY, Y3 MLK and Y4 FWD

Year 2 - FN – Florence Nightingale- Mrs Coates

Thank you so much for all of the contributions of boxes, we now have enough for each child so we don't need any more sent into school. Many thanks again for your support! Next week is the beginning of our Pickled Palace sessions. The first session is a whole class session learning about food waste and how to be resourceful with food. The second and third sessions (**Wednesday 28th January and Wednesday 4th February**) involve parents/carers cooking alongside their child. Please see the Y2 newsletter to see your child's allocated session. If you're able to join your child for their session, please let me know. Many thanks again, Mrs Coates

Year 5 – BR – Bobby Robson – Mr Cradock

Hello everyone 😊

Homework began again this week – the folders went out on Wednesday afternoon. Please help your child find time and space to complete the tasks and remind them to return their folder by Monday morning. The three tasks relate to key areas of our curriculum and once returned, we look through them together in class.

Northumbria Police's Prevention Through Education Team will be visiting our school on Tuesday 20th January 2026 to deliver sessions to Year 5 about staying safe online. The session aims to help students understand how exploitation can occur through social media platforms and the consequences of posting negative/inappropriate posts. It also includes age-appropriate discussion of the sharing of inappropriate images via digital messaging and social media. Please see the parent/carers e-leaflet provided via email for information about how to help keep your child safe online.
