

Class MY Newsletter

2025-26 Summer 2

The final half-term. Seven weeks left. Here's hoping it is our best half-term yet! Our whole school focus this half-term continues to be **creativity** and we have plenty of opportunities to show this. In amongst curriculum work, there are a number of transition activities planned so that children are ready for September. Children are likely to need additional support socially and emotionally to navigate the remaining weeks in primary school but rest assured we will be on hand to help them.

Dates for diaries

More information about each of these events will be communicated through the Need to Know and additional letters/emails.

Wednesday 17 th June	Spanish visitors

Thursday 16 th July	Bring a strong bag to take books home
Friday 17 th July (AM)	Head Teacher's Award
Friday 17 th July 13:30	Leaver's assembly/ graduation

What will we be learning?

Please see the Medium Term overview which outlines what we will be covering in each subject from week to week. Please note that this is a plan to show the sequence of learning but that things may alter week to week depending on what happens in school.

Key information:

- ❖ **P.E. kits:** A friendly reminder that our school PE kit is a red t-shirt and black shorts/joggers. **Please can we ask that your child is wearing suitable trainers for PE and that shorts are not too short.** We will be outdoors as much as possible so appropriate coats/hoodies/sun caps/scuncream are always a good idea. We are asking children to come to school wearing their PE kit for lessons on TUESDAYS (tennis) & FRIDAYS (Forest School/Cricket/Dance).
- ❖ **Reading** fluently is the single most important skill children should leave primary school with. Although children are doing well with their reading, there is no room to rest. Practice makes perfect!
- ❖ **Spellings** – We will be continuing to learn and consolidate our Essential spellings as children are expected to know most of these by the end of Y6.
- ❖ **Memory maths** will involve revisiting areas of maths that were taught previously. It is designed to help transfer learning into the long-term memory.

A final word ...

As always, if you've got any questions or concerns catch us at the end of the day or contact the school office to arrange to chat with us.

Mrs Heron and Mrs Lawson
