

Summer 2 Newsletter

Hello,

I can't believe this is the last half term of the year already! Where has the time gone? As always, this is a jam packed half term full of all of the lovely end of year events. In our lessons, we'll be learning about plants in science, the local area in geography, a book called 'The Invisible' in our writing lessons and 'coping with change' in our PSHRE lessons (ready for the move up to Y4.)

Spelling

Your child will have their last few spellings coming home over the next few weeks and then it will be a case of lots of practising to ensure your child knows as many as possible from this year so they feel ready to take on new spellings in Y4. Thank you for your support with this.

Maths Key Skills

To help your child be as ready as possible for new learning in Y4, the following will be the most helpful to help them nail by the end of Y3:

- 1) Times tables - 2,3,4,5,6,8 and 10 - to answer as quickly as possible without 'counting up.'
- 2) Telling the time - analogue and digital (12 hour) to the minute and working out time intervals of events.

Thank you!

Upcoming Events

We have a cricket event at Greenside cricket club on the first Friday of the half term (5th June) If you haven't seen / signed the letter for this then please ask in the office.

Here's to a wonderful last half term in Y3! Thanks for all of your support this year, I've really enjoyed teaching your children and you are all a lovely bunch of parents and carers to have had.

Miss Murray
