

Nursery-SG Newsletter Autumn 2 2026

Welcome back everyone, this is possibly the busiest of terms in nursery and we have lots of exciting things planned for the children. Last half term we learnt about ourselves, our families, our feelings, home and enjoyed time outdoors in our new Early Years outdoor setting along with Muddy Monsters. We will continue throughout Autumn 2 exploring what makes us special and unique; this links nicely to our daily Special Person activity - something we never miss! Additionally, our theme this Autumn 2 will be 'celebrations' and all things 'Autumn' which we will loosely follow along with following the interests of the children.

You can find our **medium-term map** on our webpage with what we will focus on in our areas of learning and development with a focus on the following prime areas; **Personal, Social & Emotional Development, Communication and Language, and Physical Development.** This term we will starting a light focus on additional specific areas of learning daily including **Literacy** and **Maths**. Please feel free to ask us any questions or share your concerns should you have any.

As Christmas draws near, we have some exciting plans in the works and look forward to sharing these with you. Below are some dates to put in the diary that we are looking forward to and hope you do too.

Dates to Remember:

Wednesday 9 December 2.00-3.00pm - Christmas Crafts with our Grown-ups

Wednesday 16 December (9:20) - EY Nativity in Sports Hall

Friday 11 December Christmas Fair 1.30pm (children welcome to be collected to enjoy fair with their grownups)

PE will be on Friday mornings; children should arrive wearing their PE clothes – red t shirt, black shorts/joggers and plimsolls. Additionally, as the weather becomes cooler and your child wears additional clothing, please be sure to write your child's initials in their belongings to help us get these items back to you. Our Nursery times remain the same; 8.55-11.55 (15hrs) 8.55-15.15 (30 hrs) and 12.30-3.30 for our 2-year-olds.

Thank you for taking the time to read this and please do not hesitate to contact us if you have any questions of any concerns. If you would like a paper copy of this letter, please see the office.

Mrs Bainbridge (nursery teacher)
Mrs Anderson (teaching assistant and key person)
Miss Maddison (teaching assistant and key person)
